2nd Quarter—	44 days
3rd Quarter—	42 days
4th Quarter—	40 days
<u>Total</u>	167 days

The state of Washington requires 1000 hours of instruction.

Calculation:

Total minutes from start to end of school day:	405
Minutes spent at lunch time meal:	25
Total days for 2011-2012 school year:	167
Total instructional hour offering per year:	1057.6

$$380 \text{ minutes} \times 167 \text{ days} = 63,460 \text{ minutes}$$

$$63,460 \text{ minutes} / 60 = 1057.6 \text{ hours}$$
