

ELHS EXTRACURRICULAR ACTIVITY POLICY 2022-2023

Athletic Fee:

Students participating in athletics will be charged a \$150 fee per sport. There is a \$300 individual and a \$550 family maximum per year. These fees help to cover a portion of the cost of our athletic program. If you would prefer to volunteer instead of paying the athletic fee, there are some opportunities available for parents and athletes. Please contact the Athletic Director to discuss alternative opportunities. Athletic fees will be charged one week after practices have started.

Required Eagle Hours:

Every student participating in an extra-curricular activity is required to complete two Eagle hours per activity. Eagle hours are usually completed in the canteen; however, a student may be asked to complete their hours in another area. Canteen signups will be online. The sign-up link will be emailed to parents, students, and will be in the weekly email. If a student cannot find a time that works with their schedule, they will need to speak with the Athletic Director to find alternative volunteer opportunities. Parents will also be able to cover their child's Eagle Hours if needed. A family can choose to pay a \$100 fee instead of having their student serve his/her canteen hours. This fee is per student, per activity and there is no maximum.
